

Life-On-Life

New Roommate

Campus Outreach is a ministry that focuses on discipleship in the context of everyday life. I have been praying for my home to be a place where ministry happens in a life-on-life context. In the next month my current Thai teacher and roommate Aw, will move out to live with her aging father. Earn, who was lead to Christ by Aw last year, will move into our home before the next term starts. Pray that Earn would continue to grow in Christ and that this move will help her grow as a spiritual leader to the new freshman studying at the University.

PLANTING SEEDS

Jens Paulson returns to Minnesota after serving 8 months at Covenant Christian School. Jens laid down a year before the Lord, so that John, Sophie, Becca, Rae, and others would know Christ. Most of Jens' time went to teaching the Word of God through Bible classes of all age ranges and leading the teaching for the Friday night MK youth group. In his last two weeks Jens gave 100% to loving all our MKs, especially those under 7, by leading this year's VBS.

As she mothers four children, Terri opens her life & heart to Ning. After accepting Christ at the TSP, Ning has since been faced with tremendous adversity from her Buddhist parents. She is responding to her mother avoiding Nings phone calls by remembering times she would avoid her mothers phone calls. "Compassion begins by looking at the other person. Reconciliation begins by looking at yourself."—*Love Walked Among Us*

Terri & Ning

CALLED

"No longer do I call you servants, for the servant does not know what his master is doing; but I have called you friends, for all that I have learned from my Father I have made known to you. You did not choose me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide, so that whatever you ask the Father in my name, he may give it to you. These things I command you, so that you will love one another." Jn 15:16-17

Campus Outreach Thailand

Over the past two weeks my team and I have been able to refresh, refocus, renew, re-energize, and rest at our annual staff retreat. This was the first Summer of Renewal (SOR) in which I have been able to fully participate. In the past my visa called me back to the states during the SOR. Praise God for his faithfulness to draw me near and rebuke, correct, and train me in righteousness.

My personal development time was spent learning about my calling as the leader for Covenant Christian School. Why would the Lord choose me to bear his name? Why the Lord would call me

out of darkness and into light? Why does the Lord call me His friend? Why did the Lord graciously give me His Spirit? Because of the faithfulness of Christ Jesus, I am welcomed into the wisdom and discipleship of the Father.

Please pray:

I would walk humbly with my (our) God, do justice, and love kindness as I lead the school. May walking in his Spirit be more desirable than having my way.

Ask the Father to build me into a woman of gentleness and self-control. These are only two sides to the battle and I desire to be submitted to my Lord as He fights for me.
